

# Waste Material Craft Ideas for School Project

## Waste Material Craft Ideas for School Project with Paper

1. Make binoculars from paper tubes and yarn straps to look around the backyard.
2. Roll newspaper into beads and string them to make colorful bracelets.
3. Paint egg cartons to make bright caterpillars using pipe cleaners for legs.
4. Use a paper plate to make a jellyfish with streamers as its long legs.
5. Make owls from toilet paper rolls and glue on colorful paper scraps.
6. Weave old magazine pages to make small baskets for little items.
7. Turn paper bags into puppets using buttons and yarn for the face.
8. Make a robot from a cardboard box using bottle caps for buttons.
9. Fold newspaper into fun hats for playtime dress-up.
10. Cut old book pages into flowers and glue them to sticks to make a bunch.
11. Decorate cereal boxes with colored paper to make picture frames.
12. Make butterflies with tissue paper wings and pipe cleaner bodies.
13. Tape paper rolls together to make a fun marble maze.
14. Turn a paper plate into a dream catcher using string and feathers.
15. Use newspaper to make small pots for planting seeds in class.
16. Twist paper napkins into flowers and use pipe cleaners for stems.
17. Make kites from paper bags and add streamers and string.
18. Cut and glue old calendar pages to make a collage of animals or places.

19. Link colorful paper strips into chains to decorate your room.
20. Make newspaper bowls using papier-mâché and balloons.
21. Tear junk mail into little pieces to make mosaic art pictures.
22. Glue paper straws together to make cool star shapes.
23. Turn an empty tissue box into a silly monster with googly eyes and yarn hair.
24. Make a paper cup phone with string to talk to a friend.
25. Fold wrapping paper into animal shapes like in origami.

### **Easy Craft Ideas from Waste Materials**

26. Make bird feeders from plastic bottles and add a stick for birds to sit.
27. Glue pictures inside bottle caps to make magnets for the fridge.
28. Make watering cans from milk jugs by poking small holes.
29. Turn old socks into puppets using buttons and yarn for faces.
30. Wrap tin cans in fabric to hold pencils and pens.
31. Make spinning tops from bottle caps and toothpicks.
32. Use a cardboard tube to make a kaleidoscope with shiny bits inside.
33. Paint plastic spoons to look like flowers and put them in pots.
34. Play a game of checkers using bottle caps and a cardboard board.
35. Glue popsicle sticks into squares to make photo frames.
36. Fill yogurt cups with beads to make bells you can shake.
37. Roll newspaper into fire starters for camping fun.
38. Melt old crayons between wax paper to make colorful window art.
39. Stretch rubber bands over shoe boxes to make guitars.
40. Hang up old CDs in windows to catch sunlight like sun catchers.

41. Cut a hole in a milk carton to make a house for birds.
42. Make small boats from corks with paper sails and toothpick masts.
43. String bread tags into bracelets with rainbow colors.
44. Weave colorful straws to make placemats.
45. Sew fabric scraps into bookmarks using easy stitches.
46. Make tambourines from jar lids with bells tied on.
47. Glue puzzle pieces around cardboard to make picture frames.
48. Shape tin foil into animals or spaceships.
49. Dip bubble wrap in paint and press on paper for fun prints.
50. Use shoeboxes to create tiny scenes from your favorite books.

### **Waste Material Craft Ideas for College Project**

51. Use plastic bottles to build small gardens that grow up walls.
52. Warm up record albums and shape them into wavy bowls.
53. Make jewelry from old computer parts like gears and tiny chips.
54. Punch holes in aluminum cans to make lights that shine through.
55. Braid old t-shirts into round rugs.
56. Roll up newspaper tightly to make strong furniture you can sit on.
57. Press bottle caps into concrete to make table tops.
58. Shape used coffee grounds like clay to make sculptures.
59. Hang glass bottles with wire to make wind chimes.
60. Cut pages from books and highlight special quotes for wall art.
61. Paint old tires and use them as planters around campus.
62. Break CDs into pieces to make shiny mirror frames.

63. Hang denim pockets on the wall to keep supplies in.
64. Weave plastic bags on a hoop to make mats.
65. Pin wine corks inside old picture frames to make message boards.
66. Hook together soda can tabs to make room dividers like curtains.
67. Make wallets from cassette tapes using strong clear tape.
68. Glue cardboard into honeycomb shapes for shelves.
69. Use old keyboard keys to make jewelry with fun words.
70. Glue lots of bottle caps into big pictures called murals.
71. Sand and smooth pallet wood to make coffee tables with glass tops.
72. Roll magazine pages into tiny designs for quilling art.
73. Weld bicycle chains into picture frames that stay strong.
74. Fold old music sheets into paper roses for decorations.
75. Put old laptop parts in boxes to show how tech has changed.

### **Waste Material Craft Ideas for School Project for Adults**

76. Put tiny lights in wine bottles to make pretty lamps.
77. Use mason jars to hold cotton balls and bathroom supplies.
78. Paint coffee pods and glue them into a wreath shape.
79. Screw drawer pulls into wood to hang jewelry on.
80. Turn old lightbulbs into mini gardens with moss and plants.
81. Glue book pages to walls to make wallpaper.
82. Melt old candles into teacups to make new candles.
83. Hang wind chimes made from silverware and bent forks.
84. Use broken plates to make garden path stones.

85. Write plant names on corks to mark spots in the garden.
86. Cut sweater sleeves to make warm coffee cup covers.
87. Add foam and fabric to crates to make soft seats.
88. Sew old neckties into zipper pouches.
89. Make pet beds from old suitcases and soft blankets.
90. Fill glass bottles with citronella oil to keep bugs away.
91. Make birdhouses from license plates with bolted sides.
92. Use leather belts to hold shelves on walls.
93. Put mirrors inside tennis rackets after taking out the strings.
94. Lean old ladders against walls to use as book shelves.
95. Punch designs into cans to make lanterns for candles.
96. Glue corks to fabric to make soft bath mats.
97. Stretch rubber bands across tissue boxes to make guitars.
98. Make drink coasters from Scrabble tiles with fun words.
99. Melt vinyl records to make wavy bowls.
100. Turn picture frames into trays by adding handles.

### **Waste Material Craft Ideas Easy and Beautiful**

101. Paint and cut egg cartons to make pretty flowers.
102. Make friendship pins with bottle tops and colorful beads.
103. Wrap yarn into pom-poms using cardboard circles.
104. Glue soda straws into star shapes for ornaments.
105. Make mirror frames with plastic spoons in a sun shape.
106. Paint rocks to look like cute animals for paperweights.

107. Sew denim pockets into small pouches for treasures.
108. Make snow globes with glitter and toys in water bottles.
109. Cut milk jugs into scoops for the garden.
110. Make bookmarks from cereal boxes and decorate with markers.
111. Glue popsicle sticks into snowflakes.
112. Press foil into designs and glue on cardboard.
113. Color coffee filters with markers and water to make butterflies.
114. Paint clothespins to turn them into fridge magnets.
115. Tie fabric scraps around a hoop to make a wreath.
116. String buttons on elastic to make bracelets.
117. Fill paper plates with beans and tape shut to make maracas.
118. Melt plastic inside jar lids to make sun catchers.
119. Punch bottle caps to make necklaces with ribbon.
120. Decorate napkin rings with ribbon on cardboard tubes.
121. Tie plastic bags in the middle to make fluffy pom-poms.
122. Fold old map paper into airplanes.
123. Melt crayon pieces between wax paper for art.
124. Slide bread bag clips onto book pages to mark your place.
125. Make trains from old spools and pipe cleaners.

### **Waste Material Craft Ideas for Kids**

126. Make animals from toilet paper rolls and color them with markers.
127. Use bottle caps to make bugs with pipe cleaner legs.
128. Paint egg cartons and turn them into little turtles.

129. Make fairy houses using boxes and shiny paper.
130. Glue pom-poms and eyes onto sticks to make silly creatures.
131. Cut sponge shapes to stamp paint on paper.
132. Use cereal boxes to make toy cars with paper wheels.
133. Paint leaves and press them on paper to make prints.
134. Make a paper crown using leftover wrapping paper.
135. String together pasta noodles to make necklaces.
136. Make a train from cardboard tubes and bottle caps.
137. Glue feathers on paper to make bird pictures.
138. Make robots from old boxes and CDs.
139. Cut paper plates into masks and decorate them.
140. Stack cups and straws to make tall towers.
141. Use buttons to make a rainbow on cardboard.
142. Make bracelets from soda can tabs and string.
143. Glue on cotton to make clouds in a sky scene.
144. Make hats from newspapers and wear them.
145. Cut shapes from sponge to paint animals.
146. Turn small jars into bug catchers with holes on top.
147. Use cupcake liners to make flowers on paper.
148. Fill paper cones with tiny snacks for fun.
149. Make wands using straws and shiny ribbon.
150. Use muffin trays to sort beads by color.

## **Useful Waste Material Craft Ideas for School**

151. Make pencil holders from cans wrapped in yarn.
152. Cut boxes to make bookshelves for desks.
153. Use glass jars for storing markers and pens.
154. Make a paper towel holder using a paper roll and base.
155. Turn lids into counting tools for math.
156. Glue caps onto paper to make an abacus.
157. Make a ruler holder with a cereal box.
158. Use old folders to make wall pockets.
159. Create storage bins from cardboard and fabric.
160. Make a paper clip holder from a bottle cap.
161. Use old CDs to make clocks with numbers.
162. Glue straws on a box lid to sort paper clips.
163. Use egg cartons to keep beads or erasers.
164. Make bookmarks from leftover cardboard.
165. Decorate tin cans to hold glue and scissors.
166. Use jars to keep rubber bands sorted.
167. Create a small blackboard with cardboard and paint.
168. Make chalk holders from toilet paper rolls.
169. Use ice cream sticks to make pencil stands.
170. Decorate folders with paper to reuse them.
171. Use cereal boxes as trays for craft time.
172. Turn tin boxes into lunch holders.
173. Use old gift boxes to store stickers.

- 174. Turn matchboxes into mini drawers.
- 175. Make flashcard holders from CD sleeves.

### **Waste Material Craft Ideas for Teachers**

- 176. Make desk organizers from tissue boxes and paper.
- 177. Turn bottle caps into magnets for whiteboards.
- 178. Use jars as candy holders for students.
- 179. Make a homework tray from a pizza box.
- 180. Use cereal boxes as paper sorters.
- 181. Cut folders to make divider tabs.
- 182. Make class signs from cardboard and markers.
- 183. Use old binders to make mini display boards.
- 184. Make calendar pieces from CDs and paper.
- 185. Decorate pencil jars with washi tape.
- 186. Use cans as chalk holders on the desk.
- 187. Make student name tags from old folders.
- 188. Use popsicle sticks for lesson games.
- 189. Turn cartons into mailbox cubbies for students.
- 190. Use egg cartons to store art beads.
- 191. Make a pass card holder from cardboard.
- 192. Use plastic lids as dry-erase answer boards.
- 193. Turn bottle caps into math counters.
- 194. Use old gift bags for homework folders.
- 195. Make classroom rules boards from cardboard.

196. Turn plastic trays into paint holders.
197. Use mason jars for class prizes.
198. Make bulletin board pins from buttons.
199. Turn cereal boxes into prize drawers.
200. Use leftover paper to make exit tickets.

### **Best Out of Waste Material Craft Ideas for Class 1**

201. Paint bottle caps to make tiny ladybugs.
202. Make paper fans using old notebook pages.
203. Cut straws and glue them to paper to make flowers.
204. Make a necklace using cereal pieces.
205. Turn boxes into tiny animal houses.
206. Paste paper bits into shapes like stars or hearts.
207. Make funny faces using sponge pieces.
208. Use cotton to make sheep pictures.
209. Glue buttons on paper to make balloons.
210. Use yarn to make curly hair on paper faces.
211. Stick leaves to paper to make animals.
212. Make fish using paper plates.
213. Create clouds and rain using cotton and thread.
214. Use paper towel rolls to make toy tunnels.
215. Paste cloth scraps to make dresses for dolls.
216. Use plastic spoons to make birds with feathers.
217. Glue sand and shells on cards for art.

- 218. Make a sun with bottle caps and rays from straws.
- 219. Use wrappers to decorate bookmarks.
- 220. Turn sponge into stamps for painting.
- 221. Make puppets using paper and sticks.
- 222. Use gift wrap pieces to decorate jars.
- 223. Stick googly eyes on bottle tops for creatures.
- 224. Make snakes with buttons on string.
- 225. Turn milk cartons into toy cars.

### **Craft Ideas Using Waste Material Step by Step**

- 226. **Make a pencil holder:**
  - 1. Take an empty can.
  - 2. Wrap with colored paper.
  - 3. Decorate with stickers.
- 227. **Make a robot:**
  - 1. Stack small boxes.
  - 2. Glue buttons and lids.
  - 3. Add pipe cleaners for arms.
- 228. **Make paper plate fish:**
  - 1. Cut a triangle for the mouth.
  - 2. Use it as the tail.
  - 3. Color and add eyes.
- 229. **Make a flower:**
  - 1. Cut petals from egg carton.
  - 2. Glue them in a circle.
  - 3. Add a bottle cap in the center.
- 230. **Make a butterfly:**
  - 1. Use a toilet paper roll as the body.
  - 2. Cut wings from paper.
  - 3. Glue on and decorate.
- 231. **Make a rocket:**
  - 1. Roll paper into a tube.
  - 2. Add a cone on top.

3. Stick on fins at the bottom.

232. **Make a monster box:**

1. Use a tissue box.
2. Add eyes and teeth.
3. Color it brightly.

233. **Make a rainbow:**

1. Cut paper into strips.
2. Arrange in rainbow order.
3. Glue them in a curve.

234. **Make a ladybug:**

1. Use a red bottle cap.
2. Paint black spots.
3. Add pipe cleaner legs.

235. **Make a hat:**

1. Fold newspaper into a triangle.
2. Tape sides.
3. Decorate with shapes.

236. **Make a clock:**

1. Cut a circle from cardboard.
2. Write numbers and add hands.
3. Use a pin to hold hands.

237. **Make a fish tank:**

1. Use a shoebox.
2. Add blue paper.
3. Hang paper fish with string.

238. **Make a bracelet:**

1. Cut strips of old T-shirt.
2. Braid or knot them.
3. Add a button as a clasp.

239. **Make a school bus:**

1. Use a small box.
2. Paint it yellow.
3. Add black circles for wheels.

240. **Make a snowman:**

1. Stack cotton balls.
2. Add eyes, nose, and scarf.

3. Stick them on paper.

241. **Make a dragonfly:**

1. Use a popsicle stick.
2. Add paper wings.
3. Draw on eyes.

242. **Make a caterpillar:**

1. Glue bottle caps in a row.
2. Paint each one.
3. Add eyes and legs.

243. **Make a book cover:**

1. Use gift wrap paper.
2. Fold around the book.
3. Tape edges neatly.

244. **Make a puppet:**

1. Use a sock.
2. Add eyes and yarn hair.
3. Draw or glue on a mouth.

245. **Make a drum:**

1. Use a tin can.
2. Cover with paper.
3. Use pencils as drumsticks.

246. **Make a mirror frame:**

1. Use an old CD.
2. Glue shells or buttons around it.
3. Stick a mirror piece in the center.

247. **Make a tent:**

1. Use straws and string to make the shape.
2. Cover with paper.
3. Decorate the outside.

248. **Make a flag:**

1. Color paper like a flag.
2. Glue to a stick.
3. Wave it proudly.

249. **Make a treasure chest:**

1. Use a shoebox.
2. Paint gold or brown.

3. Fill with paper jewels.

250. **Make a robot pencil stand:**

1. Use a box.
2. Add compartments with toilet rolls.
3. Decorate like a robot face.
